Year 1	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Aims of unit	Children will learn how games work through designing their own tag and target games. Children will improve their FMS and start to understand how to design their own game.	Children will continue to learn simple attacking tactics through playing a target game-dodgeball.	Children perform dances, focusing on creating, adapting and linking a range of these dance actions. These are inspired by a variety of subjects, including some traditional, social and/or historical.	Children perform dances, focusing on creating, adapting and linking a range of these dance actions. These are inspired by a variety of subjects, including some traditional, social and/or historical.	Children should concentrate on developing good basic running, jumping and throwing techniques. Children will develop their technical understanding across all areas of athletics.	Children will learn how to hit and strike the ball into spaces, so that they can score runs in different ways. When fielding, they learn how to work together to keep the batters score down.
