What will I learn?

- To **ask and respond** to questions about promises.
- To **ask questions** about what you and others wonder about why people make promises.
- To **make links** between their actions and the promises made.
- To **retell** the story of the Baptism of Jesus.
- To **describe** the actions and symbols used at Baptism.
- To **give reasons** for the actions and symbols used at Baptism.
- To **give reasons** for the promises made at Baptism.
- To **give reasons** how and why Christians live as followers of the Light of Christ.
