

St Mary's News

📖 ✨ Guess what? Our library is opening its doors to everyone and their grown-ups starting next week... and we can't wait! 🎉 Every Friday after school, the library will turn into a cosy little adventure zone where you can:

- Dive into new stories
- Discover magical worlds
- Pick out a brilliant book to take home

Bring your curiosity, bring your imagination — and bring your grown-ups too. We'd love to see you there!

Please note the library is now located in the main school building, pop into the office and we can show you the way!

Lunchtime Clubs

Next week we have some of the following clubs starting during lunchtimes... if you would love to learn a new hobby or practise some existing skills please come along!

Monday Lunchtime - Chaplaincy Team (existing members only)

Monday Lunchtime - Well-being

Tuesday Lunchtime - Choir (KS2 Children) - this will be starting after half term

Wednesday Lunchtime - Dance Club (KS2 Children)

Thursday Lunchtime - Prodigy/Timestable Rockstars Maths Practice (Years 3 &4)

Friday Lunchtime - School Council (existing members only)

Our Stars Of The Week...

House Points!

This weeks house point scores are...

1st Place - St Francis & St Mary with 72 points

2nd Place - St Bernadette with 71 points

3rd Place - St Joseph with 70 points

Y3's KRIFS (key instant recall facts) for this half term are the eight times table. Children should be able to instantly recall multiplication and division facts up to 8x20. These will be practised in class on a daily basis, but additional learning at home makes all the difference. Pupils can access the **TimesTablesRockstars** application at home; login details are in home reading records. More information on the KRIFS can be found on the class page of the school website.

Home learning challenge.....

Have a go at home! These home learning challenges are a great way to secure your learning whilst having fun at the same time! You will see below a few ideas for possible activities to complete at home relating to our current topics. You can draw pictures, write sentences or even take photographs. Please hand your homework in on or before Friday 6th February so that we celebrate the children's hard work in class and award prizes and dojos! Have fun!

Research an Anglo-Saxon settlement. Show what you have learnt through a drawing, use Microsoft to build it or create with using Lego.

Create a shadow puppet show. Take some pictures or film it and email to Mrs Tyson.

Practise your drawing and shading skills by drawing plants and flowers you have seen near home.

Create a Top Trumps card of an Anglo-Saxon pagan god.

LEARN AND GROW TOGETHER IN CHRIST

SCIENCE & HISTORY
LIGHT & ANGLO-SAXONS

Year 3 Learning Letter
Mrs Tyson Spring 1 2026

Mathematics

This half term Year 3 will revisit mental calculations and apply these in different contexts. Children will also consolidate their knowledge of formal addition and subtraction. We will continue our work on multiplication and begin to explore division. All children will have a target to the recall of multiplication and division facts, support will be given at school but help at home via the Times Tables Rockstars would be very much appreciated. All children will continue to complete arithmetic exercises weekly, please ask your child about their progress in their multiplication tables.

English

Our English text for this half term is Ted Hughes' 1958 children's classic, *The Iron Man*. Hughes' surreal fantasy tale captures the imagination and provokes us with many opportunities to develop our descriptive skills, speech writing and comprehension. We will practise our inference skills to explore more abstract questions, such as 'What makes a good friend?' and 'What makes us human?'

Reading

Children will participate in four twenty-minute guided reading sessions per week. Each week the whole class will focus on a text. After reading the text, we will focus on questions based on the VIPERS (vocabulary, inference, prediction, explain, review, summarise) reading targets. Children who read, succeed! Please try to listen to your child read at home as much as possible. Just five minutes a day can make a huge difference. If you feel the level of your child's home reading book isn't suitable, please speak to Mrs Tyson or Mrs Francis.

Religious Education

In Religious Studies this half term, children will look closely at:

- Journeys: Family and community
- The local church and Eucharist

History

Our History focus this half term is the Anglo-Saxons. The children will build on their chronology skills, learn about events, people and changes in Britain during this period, develop their enquiry and communication skills and use and interpret different sources and what they tell us. The children will learn about:

- Anglo-Saxon timelines of events
- Geography of Great Britain during the Anglo-Saxon era
- The Anglo-Saxon kings Alfred the Great and Athelstan.
- Anglo-Saxon culture
- Paganism and the introduction of Christianity.

Science

In science this half term our topic is Light. By the end of the unit children will be able to:

- Recognise that they need light in order to see things and that dark is the absence of light.
- Notice that light is reflected from surfaces.
- Recognise that light from the sun can be dangerous and that there are ways to protect their eyes.
- Recognise that shadows are formed when the light from a light source is blocked by a solid object.
- Find patterns in the way that the size of shadows can change.
- Develop their scientific skills through investigations into light.

Art and Design

In Art and Design this half term, the children will be developing shading skills and drawing techniques to create botanical inspired digital drawings. This unit will be done through forest school where they can closely observe plants and wildlife to draw.

Other important information

PE in Year 3 will be on a Monday and Thursday afternoon, if children are not in the new sports uniform, please ensure they wear PE kit suitable for indoor and outdoor PE sessions. We will be covering gymnastics and cricket this half term.

Spellings will be sent home every Monday. The homework sheet should be completed throughout the week ready for a test the following Friday. The children have learnt different strategies to practice their spellings and can do this on some paper at their homework if they prefer.

Thank you all for your support. Please communicate with Mrs Tyson should you have any questions or concerns about your child's learning or any other issue.

Home learning challenge

Fancy a home learning challenge? Here are some ideas of what you might like to do. You can send photos of the work on Class Dojo for us all to see.

Build a 3-D model.

Make a board game about the River Nile.

Find a pyramid net online and create your own model of an Egyptian pyramid.

Make a Scarab beetle box.

Create a project about King Tut. Why was he so famous?

Learn and grow together in Christ.

Year 4 Learning Letter
Mrs Halda Spring 1 2026

Mathematics

This term, we will begin with multiplication and division, where children will focus on their 7x and 11x tables and related division facts. They will also practise written methods for larger calculations. Please encourage your child to use Times Tables Rockstars, which is a fantastic way to build speed and confidence. Next, we will move on to length and perimeter, learning how to measure accurately and calculate the perimeter of different shapes. After that, we will explore fractions, comparing and ordering them, and finding equivalents. Finally, we will finish the term with decimals, starting with tenths and progressing to hundredths, making links to fractions along the way. Please encourage your child to use Times Tables Rockstars which is a fabulous way for children to improve their knowledge in this area.

English

This half term, the children will enjoy reading *The Firework Maker's Daughter* by Philip Pullman as our main fiction text, exploring themes of issues and dilemmas. We will use this novel as inspiration for writing, developing grammar skills and focusing on accurate punctuation of speech and the use of commas in complex sentences. Building on this, the children will move into a unit on persuasion, where they will learn the key features of persuasive writing before creating their own advert or leaflet. Later in the term, we will read *The Last Bear* by Hannah Gold, which will provide further opportunities for discussion and comprehension, as well as inspiring responses.

Reading

Children will participate in daily 20-minute whole-class reading sessions a week. During these sessions the teacher and teaching assistant will work with all of the children on a text carefully selected to offer an appropriate level of challenge. Children will be taught different reading strategies that revolve around the following key areas of reading: vocabulary, inference, prediction, explaining, retrieval and summarising. Please support your child with their home reading.

Religious Education

In Religious studies this term, children will look closely at:

- Local Church
- Eucharist
- Lent/Easter
- Pentecost

Topic

In Science, our topic is States of Matter. This term, your child will:

- Compare and group materials as solids, liquids, or gases.
- Observe how materials change states when heated or cooled, and measure or research the temperature at which these changes occur.
- Learn about evaporation and condensation and how these processes are part of the water cycle.
- Investigate how the rate of evaporation changes under different conditions.
- Carry out practical activities to explore these concepts and apply their understanding to real-life examples.

History/Geography

This half term we will complete our topic of Ancient Egypt. Throughout the topic, your child will develop their understanding of chronology and learn how our knowledge of the past is constructed from a range of sources. When we have completed this learning, we will move on to a Geography unit around North America.

Art

The children will be painting and using mixed media.

Computing

Programming and data logging.

Spanish

Presenting myself.

Other important information

- PE takes place on Monday and Tuesday afternoons.
- Forest school will take place on Friday afternoon.
- Ukulele lessons are on a Thursday afternoon.

Thank you all for your support. Please communicate with school should you have any questions or concerns about your child's learning or any other issue.

In addition to reading, times tables and spelling work, it would be lovely if you could try some more creative activities at home.

You will see below a few ideas for possible activities to complete at home relating to our current work. You can draw pictures, write sentences, create a PowerPoint or even take photographs. Please complete any challenges on or before Friday 13th February so we can see your hard work. Have fun!

Thinking about our science lessons, create a 3D solar system.

Using your knowledge of portraits, create a piece of artwork of an alien.

Year 5 Miss Howorth
Learning Letter Spring 1 2026

Mathematics

This half term, we will consolidate our previous work on multiplication and division, and we will then move on to fractions and percentages. It is very important that children know all the multiplication facts and associated division facts, and that they are able to utilise their knowledge in a range of contexts. Support will be given at school but help at home via the Times Tables Rockstars would be very much appreciated. I can send your child home with their login details on request.

English

This half term we will study the wonderful genre of science fiction. The children will use different grammar skills throughout this unit and, for a final piece, write their own story based using features found in the genre. Children will continue to practise Year 6 statutory spellings within this unit and your support in assisting your child to learn these spellings is very much appreciated.

Reading

Children will participate in five 30-minute whole class guided reading sessions a week, learning different reading strategies such as inference, skimming and scanning to aid and improve their reading comprehension.

Suggested reading for Year 5:

Explore other works linked to our class novel and in the science fiction genre. The following are especially recommended:
The Kid Who Came From Space – Ross Welford
George's Secret Key to the Universe – Stephen and Lucy Hawking
Cosmic – Frank Cottrell Boyce

Religious Education

In Religious studies this term, children will look closely at:

- Continuing Jesus' mission in diocese
- Lent, giving and sacrifice

Science

This half term, we will be looking Earth and space. We will be looking at the solar system and how Earth's movement and rotation affects us.

Art

In art, we will be studying how to create portraits using paint and mixed-media. The children will study his famous portraits, explore use of composition and colour and as a final piece, produce their own artwork of a portrait.

Other important information:

- PE in Year 5 is on Thursday and swimming is on Monday.
- Please can you make sure your child's belongings, including their uniforms, are clearly marked with their name.
- Forest School is on Tuesday afternoons. Please ensure your child has appropriate footwear and coats for the weather.
- Try and read with your child as often as possible.

Thank you all for your support. Please communicate with school should you have any questions or concerns about your child's learning or any other issue.

Miss Howorth

In addition to reading, SATs Companion and spelling work, it would be lovely if you could try some more creative activities at home.

You will see below a few ideas for possible activities to complete at home relating to our current work. You can draw pictures, write sentences, create a PowerPoint or even take photographs. Please complete any challenges on or before Friday 13th February so we can see your hard work. Have fun!

Thinking about our class novel, create a 3D scene from The Wizard of Oz.

Design a poster for a film version of The Wizard of Oz.

Create a 3D volcano!

Research Picasso, create a piece of art based on The Eucharist.

St. Mary's R.C. Primary School

Learn and Grow Together in Christ

Year 6
Mrs Blezard & Mrs Stalton
Learning Letter Spring 1 2026

Mathematics

This half term, we will move on to ratio, algebra and decimals. It is very important that children know all the multiplication facts and associated division facts, and that they are able to utilise their knowledge in a range of contexts. Support will be given at school but help at home via the Times Tables Rockstars would be very much appreciated, as well as using SATs companion to support additional areas of work.

English

This half term we will study the wonderful novel "The Wonderful Wizard of Oz" by L. Frank Baum. The children will use different grammar skills throughout this unit and, for a final piece, write their own story based on the storyline of this novel. Children will continue to practise Year 6 statutory spellings within this unit and your support in assisting your child to learn these spellings is very much appreciated.

Reading

Children will participate in five 20-minute whole class guided reading sessions a week, learning different reading strategies such as inference, skimming and scanning to aid and improve their reading comprehension.

Suggested reading for Year 6:

We encourage you to explore other texts, the following are especially recommended:

Running Wild – Michael Morpurgo.
Stormbreaker – Anthony Horowitz.
Michelle Magorian – Goodnight Mr. Tom.
Alan Gratz – Refugee.
Eoin Colfer – Artemis Fowl.

Religious Education

In Religious studies this term, children will look closely at:

- Local church- to understand the Bible as the story of God's love, told by the People of God.
- The Eucharist.

Science

This half term, we will be looking at Evolution and Inheritance, we will be able to recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

Art

In art, we will be studying the work of influential artists including: David Hockney, Paula Rego and Fiona Rae. The children will study their famous artworks, explore the use of composition and colour and as a final piece, produce their own artwork based on his distinctive style.

Other important information:

- PE in Year 6 is on Wednesday and Friday.
- Please ensure your child wears their PE kit in school on PE days.
- Please can you make sure your child's belongings, including their uniforms, are clearly marked with their name.
- Try and read with your child as often as possible.

Thank you all for your support. Please communicate with school should you have any questions or concerns about your child's learning or any other issue.

Mrs Blezard & Mrs Stalton

Letters sent home recently

- Reception - NHS Vision Screening in school
- Year 4 - School trip to Manchester Museum
- Year 1 - Lancaster Castle Trip

(If you are in need of a copy of one of these letters then please come to see us at the school office)

Information for Parents

Every Tuesday at 10.30am

from 6th January 2026

Lancashire
County
Council

1 - Starting 6th January 2026, Down Town will be offering free informal ESOL (English for Speakers of Other Languages) classes!

Two levels available:

• *Beginners: 10:30 AM*

• *Intermediate: 11:30 AM*

Register here: <https://forms.office.com/e/na6hWPb2st>

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and internet usage. Faculty delivered by National Online Safety. These guides now address wider topics and themes. For further guides, facts and tips please visit thenationalcollege.com.

What Parents & Educators Need to Know about DIGITAL DEVICES & WELLBEING

Children aged 7 to 14 now spend roughly 2 to 3 hours a day on phones, tablets, consoles, and computers. That much screen time has parents and educators worried – not just about the hours logged, but about online safety and the knock-on effects on mental health. This guide brings together practical, expert-backed strategies so adults can nurture healthier digital habits and help young people thrive both on and offline.

WHAT ARE THE RISKS?

SLEEP DISRUPTION

Too much screen time, especially before bed, can interfere with melatonin production and disrupt sleep. Children may struggle to fall asleep or experience irritability and fatigue the next day due to poor sleep hygiene habits. Consider using screen-free time before bed.

REDUCED PHYSICAL ACTIVITY

Time spent on screens often replaces outdoor play and physical activity. This sedentary lifestyle can contribute to obesity, poor posture, and decreased cardiovascular health.

ONLINE PEER PRESSURE

Social media platforms expose children to unrealistic beauty standards, cyberbullying, and negative comments. Children may feel excluded or pressured to post content or engage with activities that don't align with their interests.

EMOTIONAL DYSREGULATION

Over-screening can lead to mood swings, irritability, and difficulty concentrating. Children may become more sensitive to criticism or struggle with managing negative emotions.

CYBERBULLYING EXPOSURE

Children may encounter bullying through messaging apps, social media, or gaming. This can lead to anxiety, depression, and a reluctance to report incidents.

PRIVACY AND SAFETY RISKS

Children may unknowingly share personal information or interact with strangers online. Without guidance, they may not understand the importance of privacy settings or credible online content.

Advice for Parents & Educators

SET CLEAR BOUNDARIES

Establish screen-free zones and times. For example, no screens in bedrooms and no devices during meals. Use parental controls and monitor digital engagement with children to encourage accountability. Try a "digital curfew" or other age-appropriate consequences and rewards.

ENCOURAGE OPEN DIALOGUE

Create a safe space for children to talk about their online experiences. Ask open-ended questions like, "What did you see online today?" to build trust and awareness. Try setting aside 15 minutes each day for a digital check-in where children can share what they've seen or done online.

MODEL HEALTHY HABITS

Children mirror adult behavior. Demonstrate balanced device use, such as regular screen breaks, and prioritize face-to-face interactions to reinforce positive boundaries. Making a habit of putting your phone away during meals and conversations can show that real-life interactions come first.

PROMOTE DIGITAL LITERACY

Teach children how to evaluate online content, recognize misinformation, and understand privacy settings. Emphasize their role in their online world and responsibility in digital spaces. You could use real-life examples from the news or social media to help children practice spotting fake information.

Meet Our Expert
 Adam Clark is Executive Vice Principal for Personal Development at Parkside Secondary School and works as an ambassador one day a week for Mental Health, which works with schools on improving their mental health practices.

Wednesday 21 st January 2026	5pm – 7pm
Wednesday 28 th January 2026	1pm – 3pm

Our new school uniform is now available to purchase from Moonline. Prices are listed below.

We realise that the process converting to the new uniform has not been smooth sailing therefore we understand if you do not wish to purchase the new uniform until the new academic year (September 2026). Please note that when we return in September 2026 the new uniform will be compulsory for all pupils.

If you are in need of any of our 'old style' uniform, please get in contact with us and we can help with some of the stock we have in school.

We hope this provides families with ample time to make purchases and prepare for the transition.

Navy/Sky - ¼ Zip Top - 3-4 Yrs - 11-12 Yrs - £13.99 12-13 Above - £14.99

Navy/Sky - Polo - 3-4 Yrs - 11-12 Yrs - £11.50 12-13 Above - £12.99

Navy/Sky - Shorts - 3-4 Yrs - 11-12 Yrs - £8.99 12-13 Above - £9.99

Navy/Sky - Leggings - £11.50 All sizes to 13 Years

Navy/Sky - Track Bottoms - £12.99 All sizes to 13 Years

Parents,

If there are any changes in terms of allergies, medication, contact numbers, photo consent or anything we need to know about please ensure that you are keeping us regularly up to date. If you also would like to come in and check with us that what we have on our system is

correct please call into the office, it is so important that we have all the correct and relevant information to keep your children safe.

Kind Regards

The office team

Head teacher: Mr Ian Jones

Dear Parents/Carers

Due to a child in our school with a severe nut allergy we are now a nut free school.

Please ensure that any snack or packed lunch your child brings to school does not contain any nuts.

Thank you for your continued support.

Kind Regards

School Office

Online Safety

Please find below some information on how to help keep children safe on social media and some guidance on how to set parental restrictions on devices and accounts.

Social Media

Facebook (13+)

Included in Facebook's settings are the ability to set who can see your posts, who can contact you and the ability to review all posts before appearing on your timeline.

Unfriend: go to their profile, click on the three dots, click on Following and tap Unfollow.

Blocking: go to their profile, click on the three dots and select Block.

Facebook Privacy Check up: this tool helps you review your settings: <https://www.facebook.com/help/1297502253597210>

You can also set up Family Centre (supervision) on Messenger: <https://en-gb.facebook.com/help/messenger.app/182587384506653>

Instagram (13+)

When you set up your account, it is automatically set as public (except if you are under 18 and it is set to private as default, although you can change it to public).

Remove a follower: Go to their profile and tap 'Following' and select Unfollow.

Blocking/Reporting: To do this, tap their username, tap on the 3 dots in the top right and select Block or Report.

Turn off commenting on a post: Tap the 3 dots above your post and select Turn Off Commenting.

Find out more here: <https://help.instagram.com/196883487377501>

You can also set up Family Centre (supervision) to give you access to tools such as see who your child follows and screen time: <https://help.instagram.com/4548867563184597>
[helpref=faq_content](https://help.instagram.com/4548867563184597)

WhatsApp (13+)

By default, WhatsApp sets your privacy settings to allow any WhatsApp user to see your read receipts, last seen, about and profile photos. To change any of these settings, go to Settings and then select Privacy.

Blocking/Reporting: You can block and report a user by clicking on their name and selecting Block or Report. You can report any issues direct to WhatsApp within the app by going to Settings, Help, Help Center and Contact Us.

Find out more here: https://faq.whatsapp.com/1313491802751163?locale=en_US

TikTok (13+)

You can choose to have a public or private account. If you set your account to private, then only those you accept as friends can see your videos. To do this, go to your profile, tap the 3 line icon, tap Settings and Privacy, go to Privacy and turn on Private account (by default accounts for people under 16 are set to private).

Report inappropriate content: you can report an account, video, comment and message. Follow the instructions here: <https://support.tiktok.com/en/safety/bc/report-a-problem>

Family Pairing

You can use Family Pairing to link your own TikTok account to your child's account. This will give you access to additional controls such as:

- **Screen Time Management:** Control how long your child can spend on TikTok.
- **Direct Messages:** Limit who can send messages to them or turn off direct messaging completely. *Direct messaging is automatically disabled for registered accounts between the ages of 13 and 15.*
- **Restricted Mode:** Restrict the appearance of inappropriate content.
- **Search** - Option to disable.

Find out more here: <https://www.tiktok.com/safety/en/guardians-guide/>

X (13+)

When you set up your X account, you can choose whether you would like to keep your tweets public or protected (private). To check, go to Settings and Privacy, select Privacy and Safety and then Audience and tagging and ensure Protect your posts is selected.

Unfollow somebody: Go to their profile, click on 'Following' to then select 'unfollow'.

Blocking/Report: Go to their profile, click the three dots and select block or report.

Location: To keep your location private (so followers can't see the location you are tweeting from), under Settings and Privacy, select Privacy and Safety, select Location Information and ensure Precise Location is disabled.

Find out more here: <https://help.x.com/en/safety-and-security/x-privacy-settings>

Snapchat (13+)

When you set up your account, it is automatically set so only friends you've added can contact you or view your story.

Unfriend: Go to the chat screen, tap and hold on a friend's name, tap 'Manage Friendship' and then tap 'Remove Friend'.

Block a friend: Go to the chat screen, tap and hold on a friend's name, tap 'Manage Friendship' and then tap 'Block'.

Location settings: This feature allows your friends to see where you are (including when you are at home) when you have the app open. **It is so important that you check your child's settings for this feature.** Your location won't be shared on the map until you open it for the first time, at which point you can choose (please note that snaps you submit to Snap Map can still show up on the Map, no matter what location setting you choose):

- **Ghost Mode (Only Me):** your location won't be visible to anyone else.
- **My Friends:** your location will be shared with all of your friends.
- **Select Friends, Except ...:** your location will be shared with your friends, except the friends on this list.
- **Only These Friends ...:** choose specific friends to share your location with.

Who Can Contact Me: in your privacy settings you can choose who can contact you directly with Snaps, Chats, calls, etc. Remember, if you're in a group, then anyone can communicate with you in that Group Chat regardless of your settings. Find out more here: <https://help.snapchat.com/en-gb/articles/7012343074560?how-to-i-change-my-privacy-settings-on-Snapchat>

Family Centre: this can be set up to provide parental control settings such as limit your child's ability to view certain content in the Stories and Spotlight tabs. Find out more here: <https://help.snapchat.com/en-gb/articles/7121384944788?What-is-Family-Centre>

Mobile devices

You can set up free parental controls and restrictions on most mobile devices, which can limit what your child can access.

iOS

Using Content & Privacy Restrictions in Screen Time, you can block or limit specific apps and features on your child's device. Find out more here: <https://support.apple.com/en-gb/102121>

Apple have also created this support page for families: <https://www.apple.com/uk/families/>

Android

When you turn on parental controls, you can restrict what content can be downloaded or purchased from Google Play based on maturity level.

Find out more here: <https://support.google.com/googleplay/answer/10757387?hl=en-GB>

You can also set up Family Link, which lets you set digital ground rules as well as see where they are, receive notifications when they arrive or leave a certain location and set screen time limits. You will need to download Family Link onto your own device first and then link your child's account to it.

Find out more here: <https://families.google/familylink/>

Dates for your diary

Upcoming events:

January:

- **Monday 26th** - Science Week
- **Monday 26th** - Reception Vision Screening
- **Monday 26th** - School Nurse drop in session (open to all)

February:

- **Monday 9th** - Reception Heights & Weights in school

- **Wednesday 11th** - Parents Evening
- **Thursday 12th** - Year 4
- **Wednesday 18th** - Ash Wednesday
