

St Mary's News 

YOU'RE INVITED!

Reception & Year One
are inviting you to come and

SHARE A SOUND!

**Little sounds today,
BIG READERS TOMORROW!**

Friday 6th March

2:30 PM

In school

All parents & carers welcome

Cake and refreshments provided!

World Book Day

World Book Day - Your child can attend school dressed as their favourite book character or bring in their favourite reading book.

We cant wait to see all your amazing costumes and favourite books!

Also, the £1 book tokens will be sent home which you can redeem your World Book Day books with!

Healthy Snack Reminder

From after half term, at break time, children will only be allowed to bring fruit or vegetables as a snack. As a healthy school, we want to encourage good eating habits, support children's wellbeing, and help them stay focused and energized for learning.

Children in Reception to Year 2 will continue to be provided with fruit in school, so there is no need to send in a snack for these year groups.

Children in Key Stage 2 may bring in a piece of fruit or vegetables only to enjoy at break time.

Thank you for your continued support in helping us promote a healthy school.  

Year 5 Swimming

Year 5 Swimming will resume on Monday 2nd March 2026 the whole class will be going swimming together.

We ask parents to remind children of the safety rules so they can enjoy their swimming time weekly at St Peters.

Please make sure they have their swimming kit each Monday and are prepared.

Forest School /Outdoor learning Sessions - Spring Two 🌲🍃🏡

See below for Year Groups who will be accessing Forest School /outdoor learning in Spring Two. Please make sure your child brings in suitable wellies and waterproofs.

They may come to school wearing old clothes on the day of their Forest School. If you are struggling with providing waterproofs and wellies please come and speak to us and we can help .

Tuesday am -Reception

Tuesday pm - Year One

Monday am - Year Four

Lent 🙏

Lent is just around the corner, and we are looking forward to sharing this special season with our children and families at St Mary's.

As part of our Lenten journey, the children will be joining the Parish at St Mary's Church to share in daily Mass at 9:30am on the following dates:

- **Reception and Year 6 – 26/2/26**
- **Year 1 and Year 5 – 10/3/26**
- **Year 2 and Year 4 – 12/3/26**
- **Year 3 – 17/3/26**

Parents and carers are very welcome to join us at these Masses. As we are on half term for Ash Wednesday, we will instead be sharing a whole-school Mass together at school on Friday 6th March at 9:15am. Again, all parents and carers are warmly invited to attend.

Please note that there will be no Celebration Assembly on this day.

To conclude our Lenten journey, we would like to invite you to our Stations of the Cross Prayer Stations, which will be planned and delivered by our Chaplaincy Team. This will take place during Holy Week, on Tuesday 31st March at 9:30am, at school.

We look forward to this special time of Lent and to sharing it with you all!

Also, During Lent each Friday we will be wearing purple in exchange for a donation for our local foodbanks in the community.

These dates are as follows:

- Friday 27th February
- Friday 6th March
- Friday 13th March
- Friday 20th March
- Friday 27th March

Library

 **Guess what? Our library has opened its doors to everyone and their grown-ups... and we can't wait!**  **Every Friday after school, the library will turn into a cosy little adventure zone where you can:**

- **Dive into new stories**
- **Discover magical worlds**
- **Pick out a brilliant book to take home**

Bring your curiosity, bring your imagination — and bring your grown-ups too. We'd love to see you there!

Please note the library is now located in the main school building, pop into the office and we can show you the way!

Lunchtime Clubs

Next week we have some of the following clubs starting during lunchtimes... if you would love to learn a new hobby or practise some existing skills please come along!

Monday Lunchtime - Chaplaincy Team (existing members only)

Monday Lunchtime - Well-being

Tuesday Lunchtime - Choir (KS2 Children) - this will be starting after half term

Wednesday Lunchtime - Dance Club (KS2 Children)

Thursday Lunchtime - Prodigy/Timestable Rockstars Maths Practice (Years 3 &4)

Friday Lunchtime - School Council (existing members only)

Learning Letters Spring 1

<p>Homework We continue to ask that children read their reading books Wednesday, Thursday and bring that book on Friday. Spellings will be given every Monday this term. Our class spelling test takes place every Friday morning.</p> <p>Year 1 have practised number formation and have started to look at adding numbers within 10 (number bonds).</p> <p>You will see below a few ideas for activities relating to our current topic. Please use one of these ideas or use your own idea as a basis for a home learning challenge this half-term. You can draw pictures, write sentences, or even take photographs of the work that you have carried out at home. Please hand your homework into school on or before Thursday 12th February so that we celebrate the children's hard work.</p> <p>Make a book about the special people in your life.</p> <p>Create a band for the little boy. What would it be called?</p> <p>Write a short story based on a penguin. What would it look like? Where would it live?</p> <p>Make a 3D junk model of a penguin.</p> <p>Paint or draw a labelled picture of the winter season.</p> 	<p>Year 1 Miss Daley Learning Letter Spring 1 2025</p> 
--	---

<p>Mathematics</p> <p>This half term we will reveal place value and then apply this to other mathematical topics. We will also cover adding by counting on up to 20, find and make number bonds to 20, near doubles and missing number problems. Playing games that involve mathematics at home will enhance children's understanding of place value and counting.</p> <p>Key Instant Recall Facts</p> <ul style="list-style-type: none">Counting on from any number up to 20Counting backwards from any numbers between 0-20Number bonds to 10 <p>English</p> <p>This half term we will read <i>Lost and Found</i> by Oliver Jeffers. The children will use different grammar skills throughout this unit to write in role of the character, explore thoughts and feelings and write their very own innovated version of this fictional story.</p> <p>Children will take part in a minimum of 3 reading practices a week - Monday, Wednesday and Friday. We focus on different aspects of reading throughout these 3 days. This includes...</p> <p>Reading practice 1: Decoding - identifying phonics within text</p> <p>Reading practice 2: Prosody - reading with expression.</p> <p>Reading practice 3: Comprehension - questioning throughout the story.</p> <p>The same book is sent home on Wednesdays for children to read along with a reading for pleasure book.</p> 	<p>Religious Education</p> <p>In Religious studies this term, children will look closely at:</p> <p>Anthology - Galleys to Jerusalem</p> <p>In this topic the learning outcomes are to know and understand:</p> <ul style="list-style-type: none">Who Simon is and how he was guided by the Holy Spirit.Who St. Jesus meet in his adult life as he begins his mission. <p>Topic</p> <p>In Art, the children will be looking at the unit 'Colour splash - Painting and Mixed Media'. We will also be looking at the artists Clarice Cliff and Jasper Johns.</p> <p>In Science, Year 1 will look closely at 'Animals and Classification'. The children will be identifying and naming a variety of common animals that are carnivores, omnivores and herbivores.</p> <p>In History, Year 1 will study the unit Castles. By the end of the topic children will have an understanding of the roles and responsibilities of people in a medieval castle. Be able to find and label the parts of a motte and bailey castle. To describe who William the Conqueror was and what he did and retell the Battle of Hastings using the Bayeux Tapestry.</p> <p>In ICT, with Mrs Gorman, Year 1 will carry out Programming unit - Moving a robot. Children will explore using individual commands, both with other learners and as part of a computer program. They will identify what each floor robot command does and use that knowledge to start predicting the outcome of programs.</p> <p>In Music, with Mrs Gorman, all the learning in this half term is focused around different genres such as pop, reggae and funk.</p> <p>Thank you all for your support. Please contact school if you have any questions or concerns about your child's learning, or wish to discuss any other issue.</p>
---	--

Homework

Year 2 home learning challenges

We continue to ask that children read their reading books at home as often as possible and that reading records are signed by an adult. Some of the children are still working on their letter formation of the basic, cursive letters. Any practice of these at home, would be greatly appreciated. Here are the letter shape groups that we use when teaching them.

Curly Caterpillar Letters
c c a a o o
q q g g d d
e e s s f f

Ladder Letters

Learn and Grow Together In Christ

Year 2 - Mrs. Jones
Learning Letter Spring 1

Mrs. Jones's book recommendations this half term are:

- National Geographic Kids: Owls by Laura Marsh
- Owls (Usborne Beginners) by Emily Bone
- The Big Book of Birds by Yuval Zommer
- Follow the Swallow by Julia Donaldson

Mathematics

This half term we will be focusing on Money and Multiplication and Division. The children will be continuing to practice counting in 2s, 5s and 10s, solving the learning tree 2, 5 and 10 times tables. It would help the children greatly if you could count with them in 2s, 5s and 10s at home. This can be done in the car, whilst out for a walk or even using 2p, 5p and 10p coins to assist in their understanding of money also. The children often find the more money difficult due to the use of coins instead of cash, so any support from you at home in this area would be warmly welcomed. Activities you could try might be how many 2p coins would it take to make 20p? Which has the greatest value (Compare two sets of coins). Addition of a random set of coins beginning with the multiples of 10 coins first.

English

Our English will span for the whole of the Spring term and will focus on Birds. We will look at non-chronological reports, the fiction text The Owl Who Was Afraid of the Dark, persuasion and some poetry. The children will continue to build their grammar skills, including consolidating their use of sentence punctuation, generating and effectively using adjectives for description using adjectives for comparison, and using substitution for reason using because. Children will continue to apply their phonic knowledge in their writing throughout the term.

Below is a list of the Year 2 common exception words that the children will learn over the year. Please continue to practice these at home.

about	after	again	all	also	and
any	are	at	be	but	by
can	do	for	from	has	he
his	in	is	it	me	my
of	on	or	so	the	to
was	we	with	you	your	yourself

Reading

In our reading and phonics/spelling sessions this half term, we will continue to be following the Little Science scheme. The children will bring their reading books home on Wednesdays and we ask that you return them on Friday. Please continue to listen to your child read at home as much as possible to support the work we are doing at school and note a piece in their reading diary. Just five minutes a day can make a huge difference!

Topic

In Religious Education this term, the topic is called 'Owlies to Jerusalem'. The children will build upon their knowledge of who Jesus is and understand how he teaches about the values of God through parables and miracles that only God could perform.

In Geography, the topic is 'hot and cold places'. The children will be looking at the climate between the weather and climate in different areas of the world including focusing on equators, latitudes, the equator and the North and South Poles.

In Science, the topic is 'materials'. In this topic, the children will investigate the different materials that objects are made from and how these materials can be changed. They will consider the suitability of materials for specific uses.

In Art this half term, our topic is 'Life in Colour'. The children will be exploring primary and secondary colours. They will be colour mixing, creating textures using different tools and using collage techniques.

In Computing, our unit will be Programming - Robot Algorithms. This will be an introduction to computer programming through giving a four robot a set of instructions to follow. You may have some programmable toys at home that would support this. (E.g. robots, moving remote control dinosaurs, the code-a-pillar etc.). You could simply support understanding by giving your child a small set of precise instructions to follow when getting dressed/breaking down. There's a good example of this in the Bluey episode, 'Robo Bingo' :)

Other important information:

PE in Year 2 will continue to be on Fridays and our forest school session will be on a Thursday for the next few weeks. We will inform you of this change. On Thursdays, the children are welcome to come into school in non-uniform (old clothes) for forest school and will need to bring in their forest school kit also.

Where possible, please send the children in velcro trainers, unless they can fit their own shoes. If you have purchased the new shoes, please label their jumpers.

Children are welcome to bring in a healthy snack for playtime, although this is not essential as we receive a free daily from the fruit and veg scheme.

Thank you for your continued support. Please communicate with school if you have any questions or concerns about your child's learning or any other issues.

Homework

Y3's **KIRFS** (key instant recall facts) for this half term are the eight times table. Children should be able to instantly recall multiplication and division facts up to 8x8 (D88). These will be practiced in class on a daily basis, but additional learning at home makes all the difference. Pupils can access the **Times Tables Rockstars** application at home. Login details are in home reading records. More information on the **KIRFS** can be found on the class page of the school website.

Home learning challenge

Have a go at home! These home learning challenges are a great way to secure your learning whilst having fun at the same time! You will see below a few ideas for possible activities to complete at home relating to our current topics. You can draw pictures, write sentences or even take photographs. Please hand your homework in on or before Friday 6th February so that we can celebrate the children's hard work in class and award prizes and enjoy! Have fun!

- Research an Anglo-Saxon settlement. Show what you have learnt through a drawing, use Minecraft to build it or create with using Lego.
- Create a shadow puppet show. Take some pictures or film it and email to Mrs Tyson.
- Practise your drawing and shading skills by drawing plants and flowers you have seen near home.
- Create a Top Trumps card of an Anglo-Saxon pagan god.

Learn and Grow Together In Christ

SCIENCE & HISTORY

LIGHT & ANGLO-SAXONS

Year 3 Learning Letter

Mrs Tyson Spring 1 2026

Mathematics

This half term Year 3 will revisit mental calculations and apply these in different contexts. Children will also consolidate their knowledge of formal addition and subtraction. We will continue our work on multiplication and begin to explore division. All children will have a target linked to the recall of multiplication and division facts, support will be given at school but help at home via the Times Tables Rockstars would be very much appreciated. All children will continue to complete arithmetic exercises weekly, please ask your child about their progress in their multiplication tables.

English

Our English text for this half term is Ted Hughes' 1968 children's classic, The Iron Man. Hughes' surreal fantasy tale captures the imagination and provides us with many opportunities to develop our descriptive skills, speech writing and comprehension. We will practise our inference skills to explore more abstract questions, such as 'What makes a good friend?' and 'What makes us human?'

Reading

Children will participate in four twenty-minute guided reading sessions per week. Each week the whole class will focus on a text. After reading the text, we will focus on questions based on the VIPERS (vocabulary, inference, prediction, explain, retell, summarise) reading targets. Children who read, succeed! Please try to listen to your child read at home as much as possible. Just five minutes a day can make a huge difference. If you feel the level of your child's home reading book isn't suitable, please speak to Mrs Tyson or Mrs Francis.

Religious Education

In Religious Studies this half term, children will look closely at:

- Journeys: Family and community
- The local church and Eucharist

History

Our History focus this half-term is the Anglo-Saxons. The children will build on their chronology skills, learn about events, people and changes in Britain during this period, develop their enquiry and communication skills and use and interpret different sources and what they tell us. The children will learn about:

- Anglo-Saxon timeline of events
- Geography of Great Britain during the Anglo-Saxon era
- The Anglo-Saxon Kings Alfred the Great and Athelstan.
- Anglo-Saxon culture
- Paganism and the introduction of Christianity.

Science

In science this half term our topic is Light. By the end of the unit children will be able to:

- Recognise that they need light in order to see things and that dark is the absence of light.
- Notice that light is reflected from surfaces.
- Recognise that light from the sun can be dangerous and that there are ways to protect their eyes.
- Recognise that shadows are formed when the light from a light source is blocked by a solid object.
- Find patterns in the way that the size of shadows can change.
- Develop their scientific skills through investigations into light.

Art and Design

In Art and Design this half term, the children will be developing shading skills and drawing techniques to create botanical-inspired digital drawings. This unit will be done through forest school where they can closely observe plants and wildlife to draw.

Other important information

- PE in Year 3 will be on a Monday and Thursday afternoon. If children are not in the new sports uniform, please ensure they wear PE kit suitable for indoor and outdoor PE sessions. We will be covering gymnastics and cricket this half term.
- Spelling will be sent home every Monday. The homework sheet should be completed throughout the week ready for a test the following Friday. The children have learnt different strategies to practice their spellings and can do this on some paper as their homework if they prefer.

Thank you for your support. Please communicate with Mrs Tyson should you have any questions or concerns about your child's learning or any other issues.

Home learning challenge
Fancy a home learning challenge? Here are some ideas of what you might like to do. You can send photos of the work on Class Dojo for us all to see.

Build a 3-D model.

Make a board game about the River Nile.

Find a pyramid net online and create your own model of an Egyptian pyramid.

Make a Scarab beetle box.

Create a project about King Tut. Why was he so famous?

St Mary's R.C. Primary School, Burnley

Learn and grow together in Christ.

Year 4 Learning Letter
Mrs Haida Spring 1 2026

Mathematics

This term, we will begin with multiplication and division, where children will focus on their 7x and 11x tables and related division facts. They will also practise written methods for larger calculations. Please encourage your child to use Times Tables Rockstars, which is a fantastic way to build speed and confidence. Next, we will move on to length and perimeter, learning how to measure accurately and calculate the perimeter of different shapes. After that, we will explore fractions, comparing and ordering them, and finding equivalents. Finally, we will finish the term with decimals, starting with tenths and progressing to hundredths, making links to fractions along the way. Please encourage your child to use Times Tables Rockstars, which is a fabulous way for children to improve their knowledge in this area.

English

This half term, the children will enjoy reading *The Firework Maker's Daughter* by Philip Pullman as our main fiction text, exploring themes of issues and dilemmas. We will use this novel as inspiration for writing, developing grammar skills and focusing on accurate punctuation of speech and the use of commas in complex sentences. Building on this, the children will move into a unit on persuasion, where they will learn the key features of persuasive writing before creating their own advert or notice. Later in the term, we will read *The Last Bear* by Hannah Gold, which will provide further opportunities for discussion and comprehension, as well as inspiring responses.

Reading

Children will participate in daily 20-minute whole-class reading sessions a week. During these sessions the teacher and teaching assistant will work with all of the children on a text carefully selected to offer an appropriate level of challenge. Children will be taught different reading strategies that revolve around the following key areas of reading: vocabulary, inference, prediction, explaining, retrieval and summarising. Please support your child with their home reading.

Religious Education

In Religious studies this term, children will look closely at:

- Local Church
- Eucharist
- Lent/Easter
- Pentecost

Topic

In Science, our topic is States of Matter. This term, your child will:

- Compare and group materials as solids, liquids, or gases.
- Observe how materials change state when heated or cooled, and measure or research the temperature at which these changes occur.
- Learn about evaporation and condensation and how these processes are part of the water cycle.
- Investigate how the rate of evaporation changes under different conditions.
- Carry out practical activities to explore these concepts and apply their understanding to real-life examples.

History/Geography

This half term we will complete our topic of Ancient Egypt. Throughout the topic, your child will develop their understanding of chronology and learn how our knowledge of the past is constructed from a range of sources. When we have completed this learning, we will move on to a Geography unit around North America.

Art

The children will be painting and using mixed media.

Computing

Programming and data logging.

Spanish

Presenting myself.

Other important information

- PE takes place on Monday and Tuesday afternoons.
- Forest school will take place on Friday afternoons.
- Ukulele lessons are on a Thursday afternoon.

Thank you all for your support. Please communicate with school should you have any questions or concerns about your child's learning or any other issue.

In addition to reading, times tables and spelling work, it would be lovely if you could try some more creative activities at home.

You will see below a few ideas for possible activities to complete at home relating to our current work. You can draw pictures, write sentences, create a PowerPoint or even take photographs. Please complete any challenges on or before Friday 13th February so we can see your hard work. Have fun!

Thinking about our science lessons, create a 3D solar system.

Using your knowledge of portraits, create a piece of artwork of an alien.

Year 5 Miss Howorth
Learning Letter Spring 1 2026

Mathematics

This half term, we will consolidate our previous work on multiplication and division, and we will then move on to fractions and percentages. It is very important that children know all the multiplication facts and associated division facts, and that they are able to utilise their knowledge in a range of contexts. Support will be given at school but help at home via the Times Tables Rockstars would be very much appreciated. I can send your child home with their login details on request.

English

This half term we will study the wonderful genre of science fiction. The children will use different grammar skills throughout this unit and, for a final piece, write their own story based using features found in the genre. Children will continue to practice Year 4 statutory spellings within this unit and your support in assisting your child to learn these spellings is very much appreciated.

Reading

Children will participate in five 30-minute whole class guided reading sessions a week, learning different reading strategies such as inference, skimming and scanning to aid and improve their reading comprehension.

Suggested reading for Year 5:

Explore other works linked to our class novel and in the science fiction genre. The following are especially recommended:

The Kid Who Came From Space – Ross Welford
George's Secret Key to the Universe – Stephen and Lucy Hawking
Cosmic – Frank Cottrell Boyce

Religious Education

In Religious studies this term, children will look closely at:

- Continuing Jesus' mission in diocese
- Lent, giving and sacrifice

Science

This half term, we will be looking Earth and space. We will be looking at the solar system and how Earth's movement and rotation affects us.

Art

In art, we will be studying how to create portraits using paint and mixed-media. The children will study his famous portraits, explore use of composition and colour and as a final piece, produce their own artwork of a portrait.

Other important information:

- PE in Year 5 is on Thursday and swimming is on Monday.
- Please can you make sure your child's belongings, including their uniform, are clearly marked with their name.
- Forest School is on Tuesday afternoons. Please ensure your child has appropriate footwear and coats for the weather.
- Try and read with your child as often as possible.

Thank you all for your support. Please communicate with school should you have any questions or concerns about your child's learning or any other issue.

Miss Howorth

In addition to reading, SATs Companion and spelling work, it would be lovely if you could try some more creative activities at home.

You will see below a few ideas for possible activities to complete at home relating to our current work. You can draw pictures, write sentences, create a PowerPoint or even take photographs. Please complete any challenges on or before Friday 13th February so we can see your hard work. Have fun!

Thinking about our class novel, create a 3D scene from The Wizard of Oz.

Design a poster for a film version of The Wizard of Oz.

Create a 3D volcano!

Research Picasso, create a piece of artwork based on The Eucharist.

St. Mary's R.C. Primary School
Learn and Grow Together in Christ

Year 6
Mrs Blezard & Mrs Stalton
Learning Letter Spring 1 2026

Mathematics

This half term, we will move on to ratio, algebra and decimals. It is very important that children know all the multiplication facts and associated division facts, and that they are able to utilise their knowledge in a range of contexts. Support will be given at school but help at home via the Times Tables Rockstars would be very much appreciated, as well as using SATs companion to support additional areas of work.

English

This half term we will study the wonderful novel "The Wonderful Wizard of Oz" by L. Frank Baum. The children will use different grammar skills throughout this unit and, for a final piece, write their own story based on the storyline of this novel. Children will continue to practise Year 6 statutory spellings within this unit and your support in assisting your child to learn these spellings is very much appreciated.

Reading

Children will participate in five 20-minute whole class guided reading sessions a week, learning different reading strategies such as inference, skimming and scanning to aid and improve their reading comprehension.

Suggested reading for Year 6:

We encourage you to explore other texts, the following are especially recommended:

- Running Wild – Michael Morpurgo.
- Stormbreaker – Anthony Browne.
- Michelle Magorian – Goodnight Mr. Tom.
- Alan Gratz – Refugee.
- Eoin Colfer – Artemis Fowl.

Religious Education

In Religious studies this term, children will look closely at:

- Local church- to understand the Bible as the story of God's love, told by the People of God.
- The Eucharist.

Science

This half term, we will be looking at Evolution and Inheritance, we will be able to recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

Art

In art, we will be studying the work of influential artists including: David Hockney, Paula Rego and Fiona Rae. The children will study their famous artworks, explore the use of composition and colour and as a final piece, produce their own artwork based on his distinctive style.

Other important information:

- PE in Year 6 is on Wednesday and Friday.
- Please ensure your child wears their PE kit in school on PE days.
- Please can you make sure your child's belongings, including their uniform, are clearly marked with their name.
- Try and read with your child as often as possible.

Thank you all for your support. Please communicate with school should you have any questions or concerns about your child's learning or any other issue.

Mrs Blezard & Mrs Stalton

You will then enter our virtual waiting area where we will collect you.

Wednesday 4 th March 2026	1pm – 3pm
Wednesday 11 th March 2026	3pm – 5pm
Wednesday 18 th March 2026	5pm – 7pm
Wednesday 25 th March 2026	1pm – 3pm

1 - Throughout March 2026, the Primary Mental Health Team are offering online drop-in sessions for children and young people, as well as for anyone who is worried about someone under the age of 18. These sessions provide a safe, confidential space to talk to a mental health practitioner and get advice or support.

AI is becoming a familiar part of young people's online experiences, with a growing number of school tools and entertainment platforms now using it, this [#WakeUpWednesday](#) guide breaks down what AI really is, helping adults explain it clearly and realistically so children don't overestimate its abilities or trust it unquestioningly.

With Safer Internet Day coming up on 10th February, it's the perfect moment to start meaningful conversations about how AI systems work, where they appear online, and why understanding them matters for safe, confident digital use.

Lancashire
County
Council

2 - Starting 6th January 2026, Down Town will be offering free informal ESOL (English for Speakers of Other Languages) classes!

Two levels available:

- *Beginners: 10:30 AM*
- *Intermediate: 11:30 AM*

Register here: <https://forms.office.com/e/na6hWPb2st>

We also need your help with donations for our Mud Kitchen and forest school!

Donations of pots, pans and utensils for our mud kitchen would be very much appreciated, along with any old wellies and waterproofs that you no longer have a use for that our children can wear whilst joining in with our new forest school.

Many thanks

Our new school uniform is now available to purchase from Moonline. Prices are listed below.

We realise that the process converting to the new uniform has not been smooth sailing therefore we understand if you do not wish to purchase the new uniform until the new academic year (September 2026). Please note that when we return in September 2026 the new uniform will be compulsory for all pupils.

If you are in need of any of our 'old style' uniform, please get in contact with us and we can help with some of the stock we have in school.

We hope this provides families with ample time to make purchases and prepare for the transition.

Navy/Sky - ¼ Zip Top -3-4 Yrs - 11-12 Yrs - £13.99
12-13 Above - £14.99

Navy/Sky - Polo - 3-4 Yrs - 11-12 Yrs - £11.50
12-13 Above - £12.99

Navy/Sky - Shorts - 3-4 Yrs - 11-12 Yrs - £8.99
12-13 Above - £9.99

Navy/Sky - Leggings - £11.50 All sizes to 13 Years

Navy/Sky - Track Bottoms - £12.99 All sizes to 13 Years

Parents,

If there are any changes in terms of allergies, medication, contact numbers, photo consent or anything we need to know about please ensure that you are keeping us regularly up to date. If you also would like to come in and check with us that what we have on our system is correct please call into the office, it is so important that we have all the correct and relevant information to keep your children safe.

Kind Regards

The office team

Head teacher† Mr Ian Jones

Dear Parents/Carers

Due to a child in our school with a severe nut allergy we are now a nut free school.

Please ensure that any snack or packed lunch your child brings to school does not contain any nuts.

Thank you for your continued support.

Kind Regards

School Office

Online Safety

Please find below some information on how to help keep children safe on social media and some guidance on how to set parental restrictions on devices and accounts.

Adult animated content is increasingly visible on platforms such as YouTube, TikTok and streaming services. While the bright visuals and cartoon style may seem harmless at first glance, many of these shows and clips are created specifically for mature audiences, featuring strong language, sexual references, graphic violence and unsettling themes.

This #WakeUpWednesday guide helps parents and educators understand the risks, from misleading visuals and algorithm-driven recommendations to desensitisation and edgy humour. It also offers practical advice on platform settings, open conversations and building children's critical thinking, so young people can navigate online animation safely and confidently.

Social Media

Facebook (13+)

Included in Facebook's settings are the ability to set who can see your posts, who can contact you and the ability to review all posts before appearing on your timeline.

Unfriend: go to their profile, click on the three dots, click on Following and tap Unfollow.

Blocking: go to their profile, click on the three dots and select Block.

Facebook Privacy Check up: this tool helps you review your settings: <https://www.facebook.com/help/129750253397219>

You can also set up Family Centre (supervision) on Messenger: <https://messaging.facebook.com/help/messenger-app/182587384506653>

Instagram (13+)

When you set up your account, it is automatically set as public (except if you are under 18 and it is set to private as default, although you can change it to public).

Remove a follower: Go to their profile and tap 'Following' and select Unfollow.

Blocking/Reporting: To do this, tap their username, tap on the 3 dots in the top right and select Block or Report.

Turn off commenting on a post: Tap the 3 dots above your post and select Turn Off Commenting.

Find out more here: <https://help.instagram.com/196883487377501>

You can also set up Family Centre (supervision) to give you access to tools such as see who your child follows and screen time: https://help.instagram.com/4548867563184597/helprefaq_content

WhatsApp (13+)

By default, WhatsApp sets your privacy settings to allow any WhatsApp user to see your read receipts, last seen, about and profile photo. To change any of these settings, go to Settings and then select Privacy.

Blocking/Reporting: You can block and report a user by clicking on their name and selecting Block or Report. You can report any issues direct to WhatsApp within the app by going to Settings, Help, Help Center and Contact Us.

Find out more here: https://faq.whatsapp.com/1313481802751163?locale=en_US

TikTok (13+)

You can choose to have a public or private account. If you set your account to private, then only those you accept as friends can see your videos. To do this, go to your profile, tap the 3 line icon, tap Settings and Privacy, go to Privacy and turn on Private account (by default accounts for people under 16 are set to private).

Report inappropriate content: you can report an account, video, comment and message. Follow the instructions here: <https://support.tiktok.com/en/safety/bc/report-a-problem>

Family Pairing

You can use Family Pairing to link your own TikTok account to your child's account. This will give you access to additional controls such as:

- **Screen Time Management:** Control how long your child can spend on TikTok.
- **Direct Messages:** Limit who can send messages to them or turn off direct messaging completely. *Direct messaging is automatically disabled for registered accounts between the ages of 13 and 15.*
- **Restricted Mode:** Restrict the appearance of inappropriate content.
- **Search** - Option to disable.

Find out more here: <https://www.tiktok.com/safety/en/guardians-guide/>

X (13+)

When you set up your X account, you can choose whether you would like to keep your tweets public or protected (private). To check, go to Settings and Privacy, select Privacy and Safety and then Audience and tagging and ensure Protect your posts is selected.

Unfollow somebody: Go to their profile, click on 'Following' to then select 'unfollow'.

Blocking/Report: Go to their profile, click the three dots and select block or report.

Location: To keep your location private (so followers can't see the location you are tweeting from), under Settings and Privacy, select Privacy and Safety, select Location Information and ensure Precise location is disabled.

Find out more here: <https://help.x.com/en/safety-and-security/x-privacy-settings>

Snapchat (13+)

When you set up your account, it is automatically set so only friends you've added can contact you or view your story.

Unfriend: Go to the chat screen, tap and hold on a friend's name, tap 'Manage Friendship' and then tap 'Remove Friend'.

Block a friend: Go to the chat screen, tap and hold on a friend's name, tap 'Manage Friendship' and then tap 'Block'.

Location settings: This feature allows your friends to see where you are (including when you are at home) when you have the app open. It is so important that you check your child's settings for this feature. Your location won't be shared on the map until you open it for the first time, at which point you can choose (please note that snaps you submit to Snap Map can still show up on the Map, no matter what location setting you choose):

- **Ghost Mode (Only Me):** your location won't be visible to anyone else.
- **My Friends:** your location will be shared with all of your friends.
- **Select Friends, Except ...:** your location will be shared with your friends, except the friends on this list.
- **Only These Friends ...:** choose specific friends to share your location with.

Who Can Contact Me: in your privacy settings you can choose who can contact you directly with Snaps, Chats, calls, etc. Remember, if you're in a group, then anyone can communicate with you in that Group Chat regardless of your settings. Find out more here: <https://help.snapchat.com/hc/en-gb/articles/7012343074560-How-to-change-my-privacy-settings-on-Snapchat>

Family Centre: this can be set up to provide parental control settings such as limit your child's ability to view certain content in the Stories and Spotlight tabs. Find out more here: <https://help.snapchat.com/hc/en-gb/articles/7121384944788-What-is-Family-Centre>

Mobile devices

You can set up free parental controls and restrictions on most mobile devices, which can limit what your child can access.

iOS

Using Content & Privacy Restrictions in Screen Time, you can block or limit specific apps and features on your child's device. Find out more here: <https://support.apple.com/en-gb/105121>

Apple has also created this support page for families: <https://www.apple.com/uk/families/>

Android

When you turn on parental controls, you can restrict what content can be downloaded or purchased from Google Play based on maturity level.

Find out more here: <https://support.google.com/googleplay/answer/10757387?hl=en-GB>

You can also set up Family Link, which lets you set digital ground rules as well as see where they are, receive notifications when they arrive or leave a certain location and set screen time limits. You will need to download Family Link onto your own device first and then link your child's account to it.

Find out more here: <https://families.google/familylink/>

Dates for your diary
